Sign in Guide

Getting started · Version 1.0 · Updated 14 October 2026

What this screen does

Sign in to the workspace or platform account you already have.

Before you start

Obtain an active Eventora account.

Fields explained

- Email: login address
- Password: existing credential
- Remember: retain sign-in when appropriate

Step by step

Sign in

Path /login. Enter your account email and password, choose the remember option if appropriate and submit. Inactive users cannot sign in. Repeated attempts are rate limited. If the account works but a screen is blocked, ask the owner or administrator to check role permissions, workspace status and assignment.

How to check it worked

Confirm you reach the dashboard for your role.

Common problems and solutions

Repeated attempts are rate limited. Inactive accounts cannot sign in.
